

## **Privacy Statement**

This privacy statement discloses the privacy practices for IIS GROUP ([www.iisgroup.co.za](http://www.iisgroup.co.za))

IIS GROUP provides this Website as an informational source without informational collection intent. However, some information is collected in the process. We provide the following privacy statement for the site in order to disclose the nature of this information and how the information is handled.

While visiting this site our servers will log your IP address, time and date information, and the specific files requested. This information is used internally to monitor Website traffic. No attempt is made to discover identity based on the IP address.

Any information that is submitted to IIS GROUP via e-mail becomes property of IIS GROUP and may be used at its discretion. Information gathered by the completion of online forms on this Website will be used solely for the purpose or purposes indicated by the given form.

This site may provide links to other sites. IIS GROUP makes no statement on the privacy policies of sites not under its direct control. You are encouraged to read the privacy policies of any site that you visit after leaving this site.

IIS GROUP reserves the right to modify its privacy policy as needed. Any and all changes will be reflected immediately in the statement.

If you have questions regarding this statement or felt that you have not been dealt with according to it, please contact us at +27 (021) 975 4095, or via e-mail ([info@iisgroup.co.za](mailto:info@iisgroup.co.za)) or use our online Contact Us form
